Program & Speaker

Court Reporters don't usually speak -- but they take down verbatim everything you say. Learn how to work with a court reporter to make a complete record in depositions, hearings, and trial. Mrs. Turner will review best practices and provide a hands-on demonstration of instant Realtime translation, often used by attorneys in trial. To participate in the interactive demonstration of Realtime, please bring a fully-charged tablet or laptop with the ability to access courthouse wi-fi.
