

UNITED STATES DISTRICT COURT

for the

Western District of North Carolina

United States of America

v.

Case No.

Defendant

MOTION TO CONTINUE PENDING WAIVER OF HEARINGS

After consulting with me, Defendant intends to waive his or her right to the hearing(s) selected below along with his or her right to be present in open court for the presentation of the waiver(s).

- Preliminary Hearing/Preliminary Revocation Hearing
Detention Hearing

However, I have been unable to obtain Defendant's signature on the appropriate waiver form(s) and to file such form(s) sufficiently in advance of the upcoming hearing(s) to provide notice of Defendant's waiver(s).

Therefore, I request that the Court continue the hearing(s) referenced above to (insert date)(not to exceed seven (7) calendar days) to allow me to obtain Defendant's signature on the waiver form(s) and file the same with the Court. I understand that if the waiver form(s) are not submitted before NOON on the day prior to the date set for the hearing, the hearing will proceed as scheduled.

I have consulted with counsel for the Government and have been advised that the Government does/does not object to this request.

I request that any delay resulting from this continuance be excluded from the Speedy Trial Act computation because the ends of justice served by allowing this continuance outweigh the best interest of the public and Defendant in a speedy trial.
