## Petit Jury

The U.S District Court will pay you, by check, an attendance fee of \$50.00 per day plus round-trip mileage from your zip code area and parking. Payment vouchers and checks are processed on a weekly basis, therefore if you appear more than one day you may receive more than one check for your service.

# **Grand Jury**

The U.S District Court will pay you, by check, an attendance fee of \$50.00 per day plus round-trip mileage from your zip code area and parking. Payment vouchers and checks are processed on a weekly basis, therefore if you appear more than one day you may receive more than one check for your service. The attendance payment is taxable income and should be declared. Jurors who earn over \$600 in attendance income in one calendar year will receive a 1099 Form.

Jurors also receive a subsistence allowance covering their meals and lodging if they are required to stay overnight.

Your employer may continue your salary during all or part of your jury service, but federal law does not require an employer to do so. Nonetheless, the Jury Act forbids any employer from firing, intimidating, or coercing any permanent employee because of their federal jury service. You should check whether your company or employer has a policy for employees serving on jury duty.
